## *Experience*

Bob joined LGT in 2000 after working with dealerships in various capacities over the prior twenty years. He has serviced over 150 dealerships as an outside CPA and in-house controller and has worked with Buy-Here-Pay-Here dealerships. He has provided tax planning and preparation for dealerships and owners and been involved in the buy-sell of dealerships and dealership franchises. He has converted numerous dealerships to LIFO for new and used vehicles and parts inventories. Bob has performed cash flow analysis and internal accounting and operational control reviews, certified audits and reviews. He frequently gives seminars and presentations regarding various auto dealership financial topics including dealership fraud and has written several articles of the same. Through a formal exit planning process, Bob has helped business owners prepare for the biggest financial event of their life.
