Experience

Lee Ann joined LGT in 1987. She has over 29 years of experience in public accounting. She has served as an audit partner on numerous engagements for the past ten years including private and publicly held clients. She also assists clients with unaudited financial statements (compilations and reviews) as well as financial analysis, computer software selection, and small business consultation, planning and taxation. She frequently gives presentations to various groups on financial and tax developments.
