## Insuring Your Future with LGT

Did you know LGT offers insurance? It's true – Through LGT Insurance Services, Inc. the same company you trust for your accounting services can also provide your Insurance Services.

“We offer our clients a wide variety of insurance products,” Mike Radoff, a partner with LGT Insurance Services, Inc. explained. “Life, health, annuity products, disability, long-term care; we can provide almost any form of insurance except property, casualty, or workman’s comp.”

Due to the dire news surrounding the economy Mike stated that many people have been delaying the purchase of insurance plans, but that should not be the case. “This is the best time to be in the market for policies. Since the pricing on term insurance is so low right now it would not be a financial burden for most people.” Mike went on to elaborate, “you may be able to put it off, but you will (eventually) need it.”

In addition to Mike Radoff, Richard Trubitt, another partner and Scott Gunn, a principal with LGT Financial Advisors, are also licensed insurance agents for LGT Insurance Services, Inc. “This isn’t something new.” Mike said with pride, “We have been offering insurance policies for many years.”

If you’re in the market for insurance be sure to give your trusted advisors at LGT a call and see what kind of policy they can put together for you.
